Anniversary celebrations: BENTELER honors long-serving employees in Paderborn

- BENTELER honors around 150 employees at its Paderborn locations for 25 and 40 years of service
- Employee experience, knowledge, and commitment are key factors in the company's long-term success
- The honors are part of the company's 150th anniversary celebrations

Paderborn, April 9, 2026. In its 150th anniversary year, the BENTELER Group honored around 150 employees at its Paderborn locations for their 25 and 40 years of service. Their long-standing dedication was recognized at two festive events – a strong symbol of continuity, experience, and a pioneering spirit in action.

The celebrations kicked off in early March with a ceremony for over 100 employees from the BENTELER Steel/Tube division and BENTELER Business Services. This was followed in mid-March by another event honoring nearly 50 employees from the BENTELER Automotive Components and BENTELER Automotive Modules divisions.

Experience as a key to success

Both events focused on the special significance of long-serving employees for the company's successful development.

Heike Weishaupt, Vice President of Global Human Resources: "Our long-serving employees are an essential part of our success story. With their experience, knowledge, and reliability, they have been actively shaping BENTELER's development for decades. Long-term service stands for trust, solidarity, and a strong sense of identification with our company. The fact that we are able to honor around 150 colleagues for their long-term service in our 150th anniversary year is more than just a wonderful sign – it shows that our pioneering spirit is carried forward across generations."

An anniversary that brings people together

Honoring employees celebrating work anniversaries is an integral part of BENTELER's corporate culture and a visible sign of appreciation for their long-standing commitment. This is especially true in this anniversary year: BENTELER's
